1949 - 2007**

June 07

From the Desk of Evelyn King  
A.A.P.T. President

Howdy Partners,

Congratulations are in order for Marana again this year for taking first place in the school bus safety road-eo (Gee I wonder how they do that!) Also congratulations to Aqua Fria for taking second place. Good job Dorothy Ebert and Chenier Dow

Congratulations to all of the contestants for doing a fine job. I would like to thank everybody who donated their time and energy to make this year's road-eo a success. A special thank you to Vicki Barnett and the ladies and men at DPS. And I would like to thank all the contestants who participated this year, without all of you there wouldn't be a road-eo. Last but not least a big thank you to all the board members, family, and friends who worked Friday and Saturday to make this year's road-eo a big success. Looking forward to seeing you all March 2008 for the next road-eo

With the road-eo behind us we will be working to improve some of the problems we encountered this year.

Every year in June the board members have a retreat to tweak the road-eo, and start planning for the conference. The 2008 conference will be held in Prescott, Arizona. You don't want to miss this conference if you have never been to Prescott it's a great place to visit. Actually it's one of my favorite cities in Arizona.

With all that is said and done I'll leave you with these words:

There's no such thing as a perfect job. In any position you'll find some duties which, if they weren't onerous immediately, eventually will be. Success depends not merely on how well you do the things you enjoy, but how conscientiously you perform those duties you don't. – John Luther –

A wise man told me one time that I could do or have anything I wanted, but I would have to get out and work for it, and it wouldn't be handed to me on a silver platter and the older I grow these words have proven to be so true. You have it within yourself to achieve whatever goal you have.
